Many thanks for your letter,
just received. I am going away
into the country tomorrow, so
have not time to answer in
fully, but I wish bring the
matter before the Trustees at
their next meeting. We met
on June 21, so I am afraid
there will not be another one
for some time, but I am sure
that, on your recommendation,
they will be anxious to under-
-take the work as soon as
found him.
